SAXDOR

PURE DRIVING, MADE SIMPLE

The Saxdor 270 GTO delivers responsive performance and effortless handling, making every moment on the water easy and engaging.

Lightweight construction and a twin-stepped hull provide speed, efficiency, and precise control, whether cruising solo or with friends on board.

Designed for both relaxed days and short getaways, the 270 GTO combines versatile deck layouts and generous sunbathing areas in a compact, well-balanced package.

MADE FOR THE SUN

The 270 GTO is designed for sun-filled days on the water, with generous sunbeds both forward and aft.

The aft sunbed converts into a comfortable dinette in seconds, adding flexibility for dining, relaxing, or social moments on board.

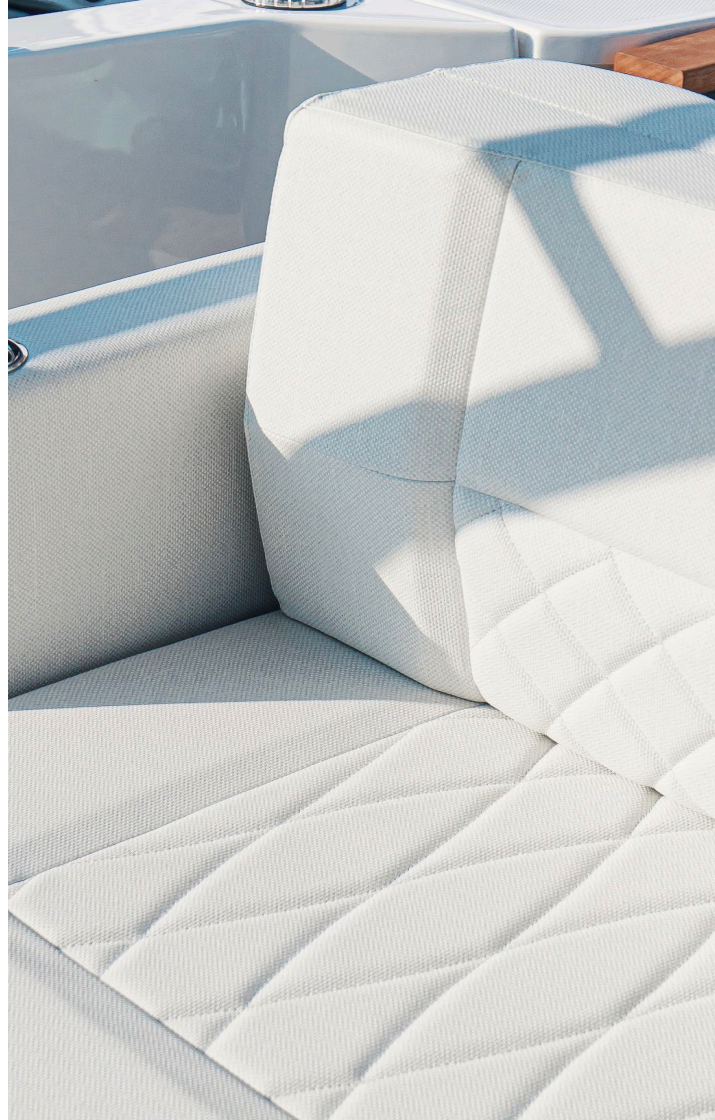

WEEKEND OR DAY CRUISE

The 270 GTO is ideal for a couple's weekend escape, offering a comfortable and practical space on board.

At the same time, it can host up to seven people for day cruising, making it equally suited for social outings on the water.

SMART COMFORT BELOW

The interior is designed for practical comfort, offering a well-organised space for short stays on board.

A forward cabin provides a comfortable place to rest, while integrated storage, clean finishes, and a compact toilet compartment make the space functional and easy to use.

Compact yet thoughtfully arranged, it supports relaxed overnight trips without compromising the boat's open and sporty character.

THE FUTURE TAKES SHAPE

Saxdor was founded in 2019 by Sakari Mattila, bringing decades of experience from Finland's leading boat brands. From the start, the brand introduced a bold new approach to boating, combining agile performance with thoughtful, well-designed usability on board.

Since then, the range has evolved rapidly, from the early models to the latest 460 series, introducing new levels of space, versatility, and onboard living.

Today, Saxdor offers a complete range of boats built on the same core principles: lightweight Scandinavian construction, sharp hydrodynamics, and thoughtfully designed deck space.

From the sporty 270 GTO to the flagship 460 GTC, every model delivers a confident, efficient, and rewarding experience on the water.
