

400 GTS

SAXDOR

PURE OPEN-AIR PERFORMANCE

The Saxdor 400 GTS is the purest expression of open boating in the Saxdor 400 series.

A walkaround layout and wide, open deck create an easy flow from bow to stern, while drop-down terraces expand the space at anchor and bring you closer to the water. Whether cruising, relaxing, or socialising, the layout adapts naturally to the moment.

At the helm, everything is focused on the driving experience, with clear sightlines, intuitive controls, and a balanced, responsive feel. Built on a twin-stepped hull, the 400 GTS delivers confident handling, efficiency, and a smooth ride across a wide range of conditions.

DESIGNED AROUND THE DRIVER

The helm of the 400 GTS is positioned at the center of the boat, creating a balanced and controlled driving experience.

Wide sightlines, supportive seating, dual displays, and intuitive controls keep everything within easy reach, allowing you to stay focused and in command at all times.

Designed for long runs and engaging performance, the GTS delivers a driving experience that feels precise, responsive, and effortlessly controlled.

FREEDOM TO MOVE

The 400 GTS is designed with a walkaround layout that allows easy movement from bow to stern.

At anchor, drop-down terraces extend the usable space and bring you closer to the water, opening up the boat for swimming, sunbathing and socializing.

Together, these features give you clearer access forward, a more secure path around the boat, and more usable deck space for time spent on the water.

CONFIDENT AT SPEED

The 400 GTS combines lightweight construction with a sharp twin-step V hull for quick acceleration and efficient performance.

Mercury V8 and V10 outboard engines deliver responsive power, while the balanced hull supports precise handling and a sporty feel at the helm.

Composed in chop and confident at speed, the GTS delivers up to 50 knots with ease.

COMFORT BELOW DECK

The interior is designed for relaxed time on board, offering a bright and practical space for rest and overnight stays.

Natural light, warm materials, and clean lines create a calm atmosphere, while the layout makes efficient use of space without compromising comfort.

Ideal for weekends and short trips, the cabins provide everything needed for easy, comfortable living on the water.

THE FUTURE TAKES SHAPE

Saxdor was founded in 2019 by Sakari Mattila, bringing decades of experience from Finland's leading boat brands. From the start, the brand introduced a bold new approach to boating, combining agile performance with thoughtful, well-designed usability on board.

Since then, the range has evolved rapidly, from the early models to the latest 460 series, introducing new levels of space, versatility, and onboard living.

Today, Saxdor offers a complete range of boats built on the same core principles: lightweight Scandinavian construction, sharp hydrodynamics, and thoughtfully designed deck space.

From the sporty 270 GTO to the flagship 460 GTC, every model delivers a confident, efficient, and rewarding experience on the water.

GLOBAL NETWORK

Saxdor is present wherever boating matters most — through a network of over 180 dealer locations across more than 70 countries and territories on 5 continents.

Wherever you are, our global network brings you closer to the brand, with local expertise and seamless access to our boats and services.

Together with our dealer partners, we participate in more than 100 boat shows and water sports exhibitions every year — from Cannes and Düsseldorf to Miami and Singapore. Each event is an opportunity to explore the Saxdor range on the water, discover the full lineup through our digital showroom, meet the team, and join the growing community of owners worldwide.
